is an educational model in which the student and educator are not physically present in a traditional classroom environment where instruction may be facilitated by the use of computers, technology, and the internet.

is instruction provided via a combination of face-to-face and remote models.

### JURISDICTION

All students shall be under the jurisdiction of the school during normal school hours, from the time the student arrives at school each day until he or she leaves the school campus in the afternoon. In case a student rides a bus, he or she shall be under the jurisdiction of the school from the time he or she boards the bus until the student exits the bus in the afternoon. Students shall be under the jurisdiction of the school while attending any school sponsored activity either at school or away from school. This shall apply to all students, including athletic teams, pep clubs, band and other student organizations. In disciplinary matters, the School Ó[æ!âq• authority may extend beyond the limits set forth above, in accordance with state law.
